# Parish Council News

June 2022

Welcome to the Parish Council's News Letter. We aim to give up to date information to parishioners about what is going in in the village and beyond, how to get involved and where to go for advice.

## OUR JUBILEE CELEBRATIONS

What a wonderful day we had celebrating HM the Queen's Platinum Jubilee on the 4th June. It was so lovely to see so many residents join us on the common for an afternoon of music, food and fun, all in the name of charity. Thankfully the weather held and we had some lovely sunshine to see us through the event with everyone making the most of the sun and getting their picnic blankets out. The Manor Rooms Tearoom went down a storm with its cakes, scones, tea/coffee and retro devices. Some residents commented that they remember when the Manor Rooms was actually a tearoom and it brought back happy memories.

The music on the common got everyone rocking and rolling whilst enjoying the sun and on site catering by Sista Barista. The road closure seemed to be well met as it meant that resident could cross White Horse Lane safely and the road closures were generally well met. Our thanks go to those who manned the Road Closed signs during the party. They seemed to be happy in their work!

The plant stall, kindly manned and stocked by the allotment holders of Trowse was also extremely successful, raising over £300 from plant and honey (also kindly donated) sales. Our most sincere thanks go to them for their generosity.

We are still getting some donations in so are yet to have a final figure raised, but special thanks to Crown Point Pub for their generous donation, and all those that contributed to stalls, prizes, the tearoom and the entertainment.

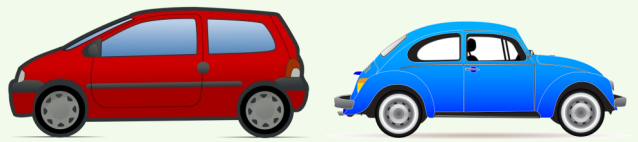

Finally, our thanks go to all you Trowsers who came out to join us and who made this day special.

Who knows, maybe we will do another one next year!! Watch this space. 😊

**We've raised  
over £1000!!**

# Trowse Parking Scheme

As you should be aware we are entering the final stage before implementation of the Trowse Parking Scheme. The scheme was designed to ensure that all residents of Trowse are able to park safely in the village. This scheme has been a long time in the making but entering this final stage does not mean that it is a done deal. It simply means you, as residents, will get to have your final say on if the scheme is implemented or if it needs to be amended before implementation.

With this in mind the Parish Council are keen to ensure that every resident knows exactly what the scheme means for your street. The Parish Council are looking to hold a set of clinics at the Manor Rooms especially to inform residents. The scheme is now in the hands of Norfolk County Council (NCC) and comments/objections/agreements about it will have to go directly to the legal team at NCC. Details of how to make those representations and where to send them will be at the Parish Council clinics. Dates/time for these clinics are:

Friday 22nd July 7pm—9pm

Saturday 23rd July 12pm—3pm

Sunday 24th July 12pm—3pm.

The monthly Parish Council meeting on the 25th July will be specially dedicated to the parking scheme.

## Tree Vandalism

Sadly, over the jubilee weekend vandalism to some trees on the church meadow was spotted by a resident. The tree in question has had the bark stripped off it in two places from ground to about 7 feet up the trunk and large gouges in the flesh. Sadly due to the extreme amount of bark that has been removed it is thought that the tree will not survive.

We'd like to think that anybody who stripped off the bark from this tree was unaware that they could cause the tree to die, as this would be a deliberate act. Living in a conservation area we would hope that people would stop and think about such actions.

The Parish Council ask that you please be vigilant around the village and if you see any behaviour such as this please report it to PC Andy Sneddon at the Poringland Safer Neighbourhood Policing Team :

[Andrew.sneddon@norfolk.police.uk](mailto:Andrew.sneddon@norfolk.police.uk) or call 111. We'd hate to lose any more trees in this way.

## Common Gym Equipment

Hopefully you will have noticed the new adult gym equipment on the common. It is proving to be very popular with Trowse residents and parents can be seen having a go whilst their children enjoy the play equipment. Please be advised that the Gym Equipment is designed for those over 1.4m tall or whatever the age restrictions that are listed on individual pieces. It is not intended for toddlers or small children.

The table tennis table is now in situ too so get yourself some paddles and have a go.

## A warm village welcome

We'd like to take this opportunity to welcome the new owners of the Crown Point Pub to the village.

We are lucky to have two pubs in a village of our size. It's another thing that makes our village so special for its residents.

## You can fit a bus through there!

You can fit a bus but cars are a no-no. Busgate goes live on the 4th July!! Drivers beware.
